Summer Session 1 (continued)

BUS-M 301 FINANCIAL MANAGEMENT (3 CR)
This course takes a financial management perspective on the role of business organizations. The course is divided into four parts: corporate governance and capital structure, dividend policy and capital structure, corporate financial management, and working capital management. The course is designed to provide a comprehensive overview of the financial management process, including the role of financial management in decision-making, financial statement analysis, capital budgeting, capital structure, dividend policy, and working capital management. The course is designed to help students develop the skills necessary to effectively manage the financial resources of a business organization.

BUS-C 306 BUSINESS LAW (3 CR)
This course provides an overview of the legal environment in which business operates. The course covers topics such as contracts, torts, agency, and partnerships, as well as the role of federal and state laws in shaping business practices. The course is designed to help students develop an understanding of the legal environment in which they operate and to prepare them to navigate the complexities of business law.

BUS-J 401 ADMINISTRATIVE POLICY (3 CR)
This course examines the role of government in the economy and the policies it uses to influence business behavior. The course covers topics such as fiscal and monetary policy, regulation, antitrust law, and international trade policy. The course is designed to help students develop an understanding of the role of government in the economy and the implications of government policy for business decisions.

BUS-F 300 INTRO FINANCIAL MANAGEMENT (3 CR)
This course provides an introduction to the principles of financial management. The course covers topics such as financial statement analysis, capital budgeting, capital structure, dividend policy, and working capital management. The course is designed to help students develop the skills necessary to effectively manage the financial resources of a business organization.

BUS-F 305 INTERMEDIATE CORPORATE FINANCE (3 CR)
This course provides an in-depth analysis of corporate finance topics, including capital budgeting, cost of capital, capital structure, dividend policy, and working capital management. The course is designed to help students develop the skills necessary to effectively manage the financial resources of a business organization.

BUS-F 260 PERSONAL FINANCE (3 CR)
This course provides an introduction to personal finance topics, including budgeting, saving, investing, and debt management. The course is designed to help students develop the skills necessary to effectively manage their personal finances.

BUS-L 203 COMMERCIAL LAW I (3 CR)
This course provides an introduction to the legal principles and concepts that govern business transactions. The course covers topics such as contracts, torts, agency, and partnerships, as well as the role of federal and state laws in shaping business practices. The course is designed to help students develop an understanding of the legal environment in which they operate and to prepare them to navigate the complexities of business law.

BUS-F 301 INTRO TO MARKETING MANAGEMENT (3 CR)
This course provides an introduction to the principles of marketing management. The course covers topics such as market analysis, market segmentation, product development, pricing, and distribution. The course is designed to help students develop the skills necessary to effectively manage the marketing function within a business organization.

BUS-F 305 INTERMEDIATE CORPORATE FINANCE (3 CR)
This course provides an in-depth analysis of corporate finance topics, including capital budgeting, cost of capital, capital structure, dividend policy, and working capital management. The course is designed to help students develop the skills necessary to effectively manage the financial resources of a business organization.

BUS-F 260 PERSONAL FINANCE (3 CR)
This course provides an introduction to personal finance topics, including budgeting, saving, investing, and debt management. The course is designed to help students develop the skills necessary to effectively manage their personal finances.

BUS-M 301 FINANCIAL MANAGEMENT (3 CR)
This course provides an overview of the role of finance in business organizations. The course covers topics such as financial statement analysis, capital budgeting, capital structure, dividend policy, and working capital management. The course is designed to help students develop the skills necessary to effectively manage the financial resources of a business organization.

BUS-F 300 INTRO FINANCIAL MANAGEMENT (3 CR)
